Tuition Sharing Breakdown

BCC pays instructors by sharing the revenue of students' tuition. The instructor receives 40% of each student's tuition for the minimum number of students. For each student above the minimum, the instructor receives 50% of the student's tuition. Paychecks for instructors are mailed the Wednesday after the last class session.

Example: A class with tuition of \$240, a minimum of 4 students and a maximum of 6 students

Number of Students	Payment Breakdown	Total
Earnings		
4	4 @ 40% of \$240	\$384
5	4 @ 40% of \$240 + 1 @ 50% of \$240	\$504
6	4 @ 40% of \$240 + 2 @ 50% of \$240	\$624

Reimbursement for Materials

Students pay for materials at time of registration to BCC. Instructors who provide materials will be reimbursed for these expenses. Materials reimbursement will be included in the paycheck mailed the Wednesday after the last class session, unless prior arrangements have been made with the Registrar.
